FELIN NEWYDD HOUSE OFFERS COMFORT, STYLE AND PRIVACY

The perfect environment to thrash out new ideas, discuss future plans, hold team testing occasions or celebrate a retirement or achievement.

We can help you organise all the details: chefs, fine wines, extravagant menus and special activities to keep your team focused and feeling appreciated.

Felin Newydd House is the ideal setting whether you require peace and privacy for meetings and training, a luxurious environment for product launches and client entertainment or a unique and private space for brainstorming with colleagues.

We can offer competitive rates with far more privacy & exclusivity than a hotel or conference center.

We are located 3 hours from London and Manchester, 1.5 hours from Birmingham & Bristol, 1 hour from Cardiff.

We can organize a chauffeured car and helicopter service should this be required.

The house has 9 large double bedrooms, 4 of which can be twin rooms. There are 7 bathrooms.

Wireless internet is available throughout and modern boardroom facilities are possible according to your requirements.

We work with several well established outdoor activity centres which are experienced in designing fun and challenging days in the wild but beautiful Brecon Beacons National Park.

Great food cooked by our dedicated chef on request.

“ *The style is comfortable classic-contemporary, with a grand glass-domed entrance hall giving way to the rooms filled with long leather sofas and log fires, and bright, airy bedrooms with freestanding baths...* ”

— Telegraph Travel Magazine

“ *You want a chef? No problem. A butler? You can have one of those too – and someone to do the washing-up, and even stable the horses? They’re all on offer at this newly refurbished, archly elegant Victorian country pile...* ”

— The Sunday Times

“ *Huw and Elizabeth Evans-Bevan have created that rare thing: a calming, laid-back atmosphere in quietly grandiose surroundings. Best of all, they have gone one better than an honesty bar: guests are given the key to an honesty wine cellar, which holds a selection of Magnums of Champagne..* ”

— Conde’ Nast
